Make Reading a Part of Your Day

Studies show that students who read during the summer months have stronger reading and comprehension skills when they return to school in the Fall.

Exercising reading skills is like exercising your muscles: the more you read on a regular schedule, the better you get.

Ideas for reading

Read for at least 20 minutes a day.

- Pick your own titles to read as well as ones on Suggested Reading Lists.
- Try out eBooks using **Overdrive**.
- **Audiobooks** are great for long car rides.
- Get a public **library card** if you don't already have one – it's free!

What counts as reading?

- Reading on your own
- Reading to others
- Listening to others read to you
- Listening to an audiobook
- Books (fiction and non-fiction), Audiobooks, magazines, newspapers, graphic novels (comic books)
- eBooks
- Anything off the Superintendent's Challenge list!

Thanks to the Friends & the Trustees of the Stevens Memorial Library, the North Andover Cultural Council, the MA Board of Library Commissioners, the Boston Bruins, & CSLP for their support.
