Make Reading a Family Affair

Studies show that students who read during the summer months have stronger reading and comprehension skills when they return to school in the Fall.

Exercising reading skills is like exercising your muscles: the more you read on a regular schedule, the better you get. Ideas for reading:

- **Read for at least 20 minutes a day.**
- Pick your own titles to read as well as ones on Suggested Reading Lists.
- Try out **ebooks** using **Overdrive**.
- **Audiobooks** are great for long car rides.
- Get a public **library card** if you don’t already have one – it’s free!

Convey the priceless message to others that reading is exciting and fun by signing up everyone in the family for **Summer at the Stevens**.

*Remember, your actions speak volumes!
Exercise the love of reading.*

Thanks to the Friends & the Trustees of the Stevens Memorial Library, the North Andover Cultural Council, the MA Board of Library Commissioners, the Boston Bruins, & Collaborative Summer Library Programs (CSLP) for their support.
