

Summer at the Stevens High School Book Discussion

Tuesday, July 10th
4 pm

Stevens Memorial Library

A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control. Citra and Rowan are chosen to apprentice to a scythe—a role that neither wants. *Scythe* is the first novel of a thrilling new series by National Book Award–winning author Neal Shusterman in which Citra and Rowan learn that a perfect world comes only with a heavy price.

Keep an eye out! The next meeting is on August 7th!
